

The Lord's Prayer—A Revolutionary Prayer?

NAB Eastern Association Leadership Seminars

Join other pastors and church leaders from the North American Baptist Conference Eastern Association for these leadership seminars. Cam Roxburgh (NAB Vice President of Missional Initiatives) will guide in-depth conversations about the Lord's Prayer and its application today.

Cam writes, "The Lord's Prayer is a very recognizable part of the life of a follower of Jesus. But what if we've domesticated it and reduced it to being less than Christ intended? What if, instead, the prayer is a pledge of allegiance to a God who is redeeming all things and has invited us to participate? Come and spend the

day exploring together the depths of this prayer that Jesus invites us to pray if we dare. We'll explore each line and discover together some of the things to which Christ is calling us in the midst of a culture that's shaped by *Empire* rather than *Kingdom*. Take away some ideas for your own ministry and how to empower your people to join God at work in your neighbourhood."

There is no fee for these seminars, just the cost of travel and lodging. Choose the date and location that works best for you. You can register for this event by simply emailing your name, the name of your church, and the seminar you plan to attend to Dana Goodnough, NAB East Regional Minister (goodnough@pittsfordcc.org).
